

# Top Spin

## Introduction—Editor’s View

Welcome to the Winter 2021 edition of the Badshot Lea Tennis Club Newsletter! The Club has had a busy year: planning permission, actively fund raising and now back into the cold darker evenings. Hope you enjoy your Winter Top Spin, perhaps read with a drink of something warming! Articles are always welcome—so please send them in. Thank you for continuing to support your club during 2021. Season’s Greetings from your committee.

## Court Usage

Please remember to use the Google Calendar booking system. It guarantees you have the court when you want it, rather than turning up hoping for a free court.

Remember there is sanitiser in the clubhouse. Please sign the attendance sheet if you use any clubhouse facilities, including the ball machine.

## Team Tennis

The Winter ADLTA League is running this year. BLTC has managed to play all of the matches so far. There are just two matches after Christmas. The dates are below. Please let Gillian know if you are able to play. These matches are against other local friendly clubs. There are just two pairs from each club and play two sets against each pair from the opposing club.

Tue 11 Jan 18:30 away at Wrecclesham

## Social Events

Following the success of fundraiser events in 2021 the Committee are hoping to arrange more in 2022. If you have an idea for one or would like to host, please let your committee know.

The Eco Balloon Race was great fun, watching progress or not of your balloon across New York. A big THANK YOU to all those who took part. We had 29 unique sponsors, who after costs have raised nearly £120 for the Club. Prizes were kindly donated. Sue was ahead of our group for most of the race—perhaps she has a secret formula for the shape, thickness and weight!! Well done Sue and thank you for organising it for the Club.

Articles are welcome for our Spring edition of the club newsletter. Please send through to Gillian for their review and inclusion.

# Club Reminders

### Ball Machine

We are fortunate to have an excellent ball machine at the club. Have you used it yet? It can give you a variety of ball deliveries to help improve your returns. The pre-season check-up found lots of balls jammed inside. If that starts happening again, please report it to the committee for repair. There is an instruction sheet in the clubhouse.

To help the longevity of the tennis balls we also have a ball pressuriser. Again there is an instruction sheet in the clubhouse.

Please try and use this after you have used the ball machine. Contact Gillian if you wish to have a walk through on how to use it.

### Club Clothing

Why not promote the club ? - we have our own club clothing range. Please see our [website](#). Click on 'Tennis Kit' on the top menu.

### LTA and Wimbledon Ballot

All members are encouraged to belong to LTA as an Advantage Play+ member and affiliate to the Badshot Lea Tennis Club. **It is free!** This will give you free entry to the Wimbledon Ballot and many more exclusive venues and offers. To those already Advantage Play+ registered, you should receive an email early in the New Year for opting in to the 2022 Wimbledon Ballot.

### Future Club Projects—update

Since receiving planning permission in August for the installation of floodlights on both courts and a replacement clubhouse, the committee have been trying to raise further funds to enable both to be carried out. Ideally we will do the clubhouse before floodlights to avoid additional costs on rework for the floodlight electrics.

With the cost of materials having increased quite dramatically in the last year, the committee are now considering progressing with a fully refurbished clubhouse rather than complete replacement. The current structure is ok, just the roof, windows, doors and interior layout! This may reduce the costs to a point where it can all be carried out over 2022. It will also reduce landfill. Roofing , window and door quotes are being obtained for committee decision on contractors—we will keep you posted.

The LTA are working with the Club with an aim to provide an interest-free loan whilst the floodlight work is being done as the bulk of the funding so far is by pledges. Once work is completed for the floodlighting and a partial clubhouse refurbishment the pledges will be paid. Provisional date for floodlights end March 2022, but this may slip dependent on LTA Loan in place before work starts.

## Club Fundraising

Please share this fund raising page with friends and family to help promote our cause and raise the funds needed to realise our floodlighting and replacement clubhouse. Thank you.
